CALWA RECREATION & PARK DISTRICT REPORT TO THE BOARD

TO: Board of Directors

FROM: District Administrator, Adam Ramos

SUBJECT: Update on Calwa Pool Project.

SUMMARY:

After the last meeting with the Board we had our engineer Ron Allred join and discuss, with the Board, on the next steps of the project. Ron took the responsibility to create the designs himself and will lead the design in provided those restroom and shower designs.

After the update the Board, with the direction from Ron Allred, Administration reached out to companies seeking quotes for a topographic survey as well as rebar and structural integrity testing on the current structure. Two companies have been selected for the topographic survey and structure testing with an estimated cost to the District Pool Fund of around \$4,700.00, these prices are typical to industry standards.

County of Fresno ARPA documentation has been provided for the quarterly review requirements. The document consists of financial information that the District has spent regarding the pool, since the District has not utilized any of the funds during the quarterly period, are drawdown and reimbursement requests were \$0.00. This will change for the next report submission as the quote and costs for the testing are in progress.

Once testing reports are provided to DA, Legal, and Ron Allred, Ron will update the plans and the District will have the information in place to request bids for the pool and restroom projects.

RECOMMENDATION:

That the Board receive the report, discuss, and provide direction, if needed.

REASON FOR RECOMMENDATION:

Update the Board on the status of the pool project.

FISCAL IMPACT:

Fiscal impact will not impact District funds due to the Fresno County ARPA award as well as donations received to cover remaining expenses.

CALWA RECREATION AND PARK DISTRICT

Calwa Recreation and Park District Mission Statement:

To provide and maintain recreation facilities, programs, and community enrichment activities that offer opportunities to promote social, physical and mental well-being for residents of the District and the greater community.

Calwa Recreation and Park District is committed to improving the quality of life for the community by providing a safe, clean, accessible park and community center. We pride ourselves on offering exclusive recreation programming, recreational activities that reflect current recreational trends, large scale community outreach events, and forming long standing partnerships with local organizations who share the same mission and values of that of the District.

CRPD provides a wide variety of programming throughout the year impacting the community in numerous ways, the following are the programs currently being offered:

ZUMBA KIDS AFTER SCHOOL

PROGRAM: provides after school services that keep children and teens engaged with school work while away

from school. Programming occurs Monday-Friday from 3:00PM to 5:00pm. Program is lead by our Program Coordinator and any volunteers who wish to assist. After school program includes arts and crafts, homework assistance, outside games and sports, tutoring, mentoring, and community service projects. This program has seen an increase in use from our community averaging 8 students per day. Goals for the program moving forward are to hire an assistant to help expand and bring in more children, while also offering curriculum for drop-in students and students who complete their schoolwork and are seeking additional learning opportunities.

SPORTS AND RECREATION PROGRAMMING:

District programming currently includes Youth Sports Camps of various sports and our Toddler Soccer Program. The district offers sports camps during several times of the year and typically see enrollment of 15-25 participants. The Toddler Soccer Program has been offered for several months on a consistent basis and is District program that will be a foundation of programming for our youth. The goal of our programming is teach teamwork, sportsmanship, fundamentals of a sport, completing tasks and reaching goals, and promoting healthy safe activity.

Boxing: District is in partnership with Calwa Boxing Club and extends our

facility to this club to recruit, train, and help our communities youth learn the sport of boxing in a controlled and safe environment. That program is from 6:00pm-8:30pm and is offered to kids, teens, and adults for ages 6 and above. Students are required to pay a monthly fee, but Calwa Boxing Club does provide discounts and scholarships to members of the Calwa community.

Karate: District is in partnership with IKK-DO and they offer a paid service program that centers around the several variations of karate. They currently average 15-25 students and hold tournaments here in the rec center.

Zumba: District is in partnership with two Zumba instructors who lead a large class of adults that center on the dance exercise of Zumba. Here students can dance to music while exercising in a fast-paced environment. These classes are offered Monday-Friday from 10:00am-11:00am, 6:30pm-7:30pm and 7:30pm-8:30pm. Each instructor averages 15-25 students and holds dance events inside and outside of the rec center.

Southeast Youth Soccer League:
District is in a partnership with SEYSL as of December of 2021. This partnership has proven beneficial for both the league and the park by bringing hundreds of players and their families to the park daily for practices and games. League uses District soccer fields on Monday-Saturday and attracts other members of the community to engage and register

their children within their leagues. This is also a paid registration service that SEYSL implements but does offer special rates for Calwa residents.

New programs are currently in development but with the limited staff the process is slowed, if new staff approval is approved then more programming can be offered in variations. District is aware that we need to begin to offer programming to various populations and the elderly is up for new programming.

District is committed to continuous improvement in all aspects of the District. With recreational trends evolving the need for fresh ideas and programming is important. Developing the programs for the needs of the community is vital to creating a park and programming that suites our community and invites others from throughout Fresno and neighboring towns/cities to participate in our programs.

COMMUNITY ENGAGEMENT/EVENTS:

District facilitates community wide collaborative for various reasons. The District wants to provide events that will create long lasting memories of Calwa Park. The outreach we perform, along with partnered organizations, aims to assist our community with resources that can help increase quality of life and other resources during hardships. District has partnered with several non-profit organizations to provide health screenings, COVID testing and

vaccinations, Back to School Backpack Giveaways, Turkey Giveaways, Christmas Gift Giveaways, Halloween Trunk or Treat, Spring Easter Festival, Health Fairs and Movie In the Park events. District events are always a success and average over 1,000 people crossing through our gates.

PROJECTS:

District saw several projects completed during the FY 21/22. We saw our north park entrance upgraded with woodchips, new signage for our tobacco and drug policy, a rejuvenated hall fresh with paint and baseboards to name a few. The main upgrades we also encountered were with the repair and upgrade of our restrooms located south of the hall. District replaced all field lighting with energy efficient LED fixtures increasing the illumination and decreasing costs to the District.

For FY 22/23 Projects currently in design and potential construction are our Kaiser Permanente Swimming Complex, Prop 68 plans, Walking Loop, and Urban Soccer Complex.

Potential FY 22/23 Future projects will include the repair and upgrade to the basketball court and addition of new lighting in Field 1.

CALWA RECREATION & PARK DISTRICT REPORT TO THE BOARD

TO: Board of Directors

FROM: District Administrator, Adam Ramos

SUBJECT: Approval of Field Use Contract with Southeast Fresno Youth Soccer League.

RECOMMENDATION:

That the Board receive report, discuss, and approve agreement with Southeast Youth Fresno Soccer League.

SUMMARY:

Southeast Fresno Youth Soccer League representatives approached District to use the soccer fields as their permanent location for their league for Fall 2023 season. This league includes children's soccer teams that vary in ages from 4-17. After the second season with the league, we have seen a drastic increase in community park participation, event participation, and expanded network with their community leaders. The fields are in great shape after their use of the first season and we do not anticipate any issues moving forward with this partnership. The price points have been adjusted to reflect the new resolution passed in the previous meeting.

REASON FOR RECOMMENDATION:

To continue relationship with SEYFSL and provide a structured soccer program for our community.

FISCAL IMPACT:

The revenue generated from this agreement will total \$1,800.00

Maintenance Updates

- Watering schedule for the park is on the three-day schedule per the City of Fresno's requirements. Districts watering schedule on Tuesday, Thursday, and Saturday.
- Construction on Barton Ave, will be taking place within the next few days. The recycling center will have an access point created by the City for the operation of their business. Estimated completion date of road is not to exceed mid-August.
- Fencing issues are being addressed and repairs will be inhouse.
- Hall will undergo external paint job before DA's last day.
- AC Unit Thermostat will be converted to a new digital smart thermostat. We have been having issues where AC is being left on by staff overnight, so this will allow Daniel to check on the AC from his phone and turn off the AC remotely if needed. This will cost the District \$130 and Daniel will install.
- Backflow testing was completed on Wednesday 7-12-23 and this is an annual test that is required by the City of Fresno. Unfortunately, one of the pumps didn't pass and does need repair. We were quoted by one company for those repairs of \$3,200.00 DA is seeking other quotes for the repairs needed.

Miscellaneous.

- DA received an inquiry from a new Zumba instructor, she would like to host a class in the morning hours of 9am-10am. This does not conflict with any other instructors schedules and a rough draft agreement is in development. Potential revenue generated for this new instructor is estimated from \$150-\$200 per month, if approved.
- DA received an inquiry from a Church Youth Group Pastor who wishes to host a fundraising event. The event will be a soccer tournament for co-ed adults, this is a one day event, and discussions are currently taking place with nothing finalized.
